DETAILED ACTION

1. Claims 1-12, 19-21 and 24 are pending in the instant application and have been examined.

Allowable Subject Matter

2. Claims 1-12, 19-21, and 24 allowed.
3. The following is an examiner's statement of reasons for allowance:

The closest prior art in the field does not teach the combination of features found in the independent claims, particularly including the features of: organizing a plurality of types of events associated with a firewall of a local computer into a plurality of categories; tracking a number of occurrences of each type of event; displaying a graphical representation including a severity of the events utilizing the firewall, where the graphical representation includes a graph, and the provision for a user to utilize the firewall to perform a visual trace, all in combination with the other claim limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
